Engineering-Medicine Dialogue 2012

1 Aug 2012 (Wed), 12pm – 6pm
NUHS Tower Block, Level 11, T11-03

A Forum for Clinicians and Engineers to Interact

What to Present: 6-8 slides (max. 8 min) and 2mins Q&A. Presenters have the option to prepare a Poster.

Suggested content:
• Outline research areas of interest / expertise
• Clinicians: new and existing problems / unmet clinical needs which require engineering solutions
• Engineers: novel technologies/innovations which may be applied to solve a clinical problem or fulfill an unmet clinical need
• Identify potential areas of collaboration

If you are interested, please contact Sherline Tay at medtgss@nus.edu.sg by 12 July 2012.
