

# ***1<sup>st</sup> NUHS Bench to Bedside Symposium In Neuroscience 22 October 2011***

**An unique opportunity for NUHS Clinicians and Scientists to meet and discuss the potential collaboration across Bench to Bedside research**

## **Neuroscience related diseases brain, spinal cord, muscles**

### **Who Should Attend**

1. If you have special interests in Neuroscience research
2. If you are in Basic Science and seeking collaborations with Clinicians
3. If you are Clinicians and seeking collaborations with Basic Scientists

### **What to Present**

Please prepare 3 slides (max. 5mins) to explain:

1. What is your main research interest and areas of expertise?
2. If you are a Basic Scientist, what assistance you expect from Clinicians?  
If you are a Clinician, what assistance you expect from Basic Scientist?
3. Which grants do you plan to apply for involving collaboration in the future?

**Date/Time:** 22 October 2011, at 8:30am – 12:30pm

**Venue:** NUHS Tower Block T12-02/03

**Submission deadline:** 30 Sep 2011

**Contacts:** Sherline Tay,

**Email:** [medtgss@nus.edu.sg](mailto:medtgss@nus.edu.sg)
