How to access my child's or dependent's Medical Certificate and other health records on the NUHS App?

Select your child's or dependent's name.

Note:

This feature is open to Singaporeans and PRs only.

If your adult dependent's health records are not showing, check with them to see if access has been shared with you.

If they had added you before, ask them to re-grant access:

1. Tap 'Dependent / Caregiver'.
2. Tap your name under 'My Caregiver'.
3. Tap 'Accept Changes'.

Reschedule or cancel appointment

Reschedule appointment
