

## Summary of research activity / personnel supported by available grants

Note: This list is not exhaustive

Grant category	Name of grants	Funding agency
Young Researcher	Clinician Scientist – Individual Research Grant – New Investigator Grant (CS-IRG-NIG)	NMRC/MOH
	Open Fund – Young Individual Research Grant (OF-YIRG)	
	Health Services Research Grant – New Investigator Grant (HSRG-NIG)	
	Advanced Manufacturing and Engineering (AME) Young Individual Research Grant (YIRG)	A*STAR
Seed Funding	MOE Academic Research Fund (AcRF) Tier 1	MOE
	NUHS Seed Grant	NUHS
	NUHS Family Medicine / Primary Care / Health Services Research (FM/PC/HSR) Seed Grant	
Life Sciences and Biomedical Engineering Research	MOE Academic Research Fund (AcRF) Tier 2	MOE
Basic and Translational Clinical Research	Clinician Scientist – Individual Research Grant (CS-IRG)	NMRC/MOH
	Open Fund – Individual Research Grant (OF-IRG / CBRG)	
Healthy Longevity-related Research	Healthy Longevity Catalyst Awards (HLCA)	NMRC/MOH
	National Innovation Challenge on Active and Confident Ageing (NIC)	
Human Potential-related Research	Human Potential Programme Prenatal-Early Childhood Grant	A*STAR
Synthetic Biology-related Research	Biological Design Tools and Application (BDTA)	NRF
	Synthetic Biology Program (SBP)	
	National Innovation Challenge on Active and Confident Ageing (NIC)	
Health Services Research	Health Services Research Grant (HSRG)	NMRC/MOH
Social Sciences Research	MOE Social Science Research Thematic Grant (SSRTG)	MOE

Programmatic	MOE Academic Research Fund (AcRF) Tier 3	MOE
	Centre Grant (CG)	NMRC/MOH
	Open Fund Large Collaborative Grant (OF-LCG)	
	NRF Competitive Research Programme (CRP)	NRF
Collaborative Research	Advanced Manufacturing and Engineering (AME) Programmatic Grant	A*STAR
	Reimagining Research Fund	NUS
	LKCMed-NUSMed-NHG Collaborative Mental Health Research Pilot Grant	
Collaborative Interdisciplinary Research	Intra CREATE	NRF
Industry Development	Industry Alignment Fund – Pre-Positioning Programme (IAF-PP)	A*STAR
Industry Collaboration	Industry Alignment Fund-Industry Collaboration Projects (IAF-ICP)	A*STAR
Innovation	NHIC Innovation to Develop (I2D)	NMRC/MOH
	NHIC Innovation to Startup (I2S)	
	NUHS-NHIC Joint MedTech Grant	
	NUHS Innovation Grant	NUHS
	SMART Innovation Grant	SMART
Innovation / Commercialisation	Biomedical Engineering Programme (BEP)	A*STAR
Technology Translation and Commercialisation	NUS Industry Liaison Office (ILO) Technology Acceleration Programme (TAP) Grant	NUS
Drug Discovery	Target Translation Consortium (TTC)	A*STAR
Drug Discovery / Development	Singapore Therapeutics Development Review (STDR)	A*STAR
Clinical Trials	Clinical Research Coordinator (CRC)	NMRC/MOH
	Clinical Trial Grants <ul style="list-style-type: none"> <li>• CTG-Industry Collaborative Trials (CTG-ICT)</li> <li>• CTG-Investigator Initiated Trials (CTG-IIT)</li> </ul>	

Talent Development	Lee Kuan Yew Postdoctoral Fellowship	MOE
	Singapore Translational Research Investigator Award (STaR)	NMRC/MOH
	Transition Award (TA)	
	Clinician Scientist Award (CSA)	
	HPHSR Clinician Scientist Award (HCSA)	
	Clinician Innovator Award (CIA)	
	Research Training Fellowship (RTF)	
	Research Training Fellowship Seed Fund (SEED)	
	Clinician Scientist Residency Seed Fund (CSSDFD)	
	NRF Fellowship	
	NRF Investigatorship	
	NRF Returning Singaporean Scientist
